## Op Shop and Community Centre Clean Up

During the week the Op-Shop windows have been washed, sills and ledges dusted, fans, vents and heaters cleaned and the Community Centre has had a clean up of the cupboards, shelves and floor.

There will be more cleaning and sorting in the week to come as both the Op-Shop and Community Centre get ready to open on the 23rd January.

**A big thank you to all the helpers for their work.**

## Kalamunda UC services were cancelled last Sunday

Last Sunday both the 8am and 10am service at KUC had to be cancelled. Those who came early to open up and set up, arrived to find that the Church building had been illegally entered during the night. An email from Alan Blackburn (Chair) read: *"I am pleased to say that there was not major damage to the church building and they did not enter the worship area, sound box, Minister's office or creche. However, the remaining areas were ransacked and this included the kitchen, hall cupboards and other rooms. Subsequently a forensic police team came to the church and spent a long period thoroughly examining the situation"*.

Our thoughts are with the folk at Kalamunda as they work through this.

The final total for donations to the Act for Peace Christmas Bowl was \$5310 - **Thank you!**

## New Rosters!

Thank you to all who quickly added their names to the Roster so as not to miss out. Well done it is appreciated.

Reader's are still needed on February 25th and services at KUC on the 30th March and Good Friday 18th April.

Fortunately there are still vacancies on the toilet roster for those who couldn't find a pen last Sunday.
