The Yarning Circle met on Friday with representatives from three congregations: Kalamunda, St Martin's and Star Street Uniting. They shared experiences on how we can live out our covenant with the Uniting Aboriginal and Islander Christian Congress particularly in Western Australia.

Worshipping in Lent as an Intercultural Congregation

God created us giving us unique gifts and histories and weaves us together with the love of Christ across cultures and boundaries. We highlight the diversity in the origins of our congregation members through the use of language, symbols and atmospherics.

Two countries have now been represented. On the first Sunday of Lent, Mubarrio read Psalm 91 in Shona a language of Zimbabwe and the following week Nely and Olivia represented The Netherlands by reading Psalm 27 in Dutch while Rita led the Body Prayer. MB, Olivia and Nely also gave a reflection of the significance of the psalm to the country they represented. We look forward to hearing from the Samoan members of our Congregation this Sunday.

Book Offer The Easter Love Story

Every year the Bible Society of Aust provides churches with free Easter Books for children. These books make a great item to give children or their families, such as grandchildren or church members. Julie Ridden, the Children, Families, Youth and Young Adults

Coordinator, has ordered 200 of The Easter Love Story books. The books feature the beautiful art of Indigenous Australian, Fern Martins. If you would like a copy please let Nely know no later than by 27th March.
