St Martin's hosted the **World Day of Prayer** on Friday which this year focussed on the Cook Islands. Members from four different congregations in our area attended the service led by Gaye. Everyone enjoyed catching up over the delicious afternoon tea which followed the service. Thank you to all who helped with the service, led in prayer, played the piano, decorated the church and community centre made the yummy food, served, washed dishes,

cleaned up and took part in the service and wore an amazing tropical shirt Troy.
