*Pastoral Message Fourth Sunday of Easter*

**Tabitha, get up** (Acts 9: 40) "...Then she opened her eyes, and seeing Peter, she sat up. He gave her his hand and helped her up." What a miracle! Peter, the one who denied Jesus, Peter who fled in the face of danger is now exercising the same power and authority of Jesus. Perhaps no one today has this power, but in this account, we are assured that God who raised Jesus from the dead is still active in the world through those who live in God's ways. The sick are healed, the despairing find hope, the captives are freed. With the tiny mustard seeds of faith growing in us, together we can live out God's alternative vision and patterns of living in the world. Does someone around you need to hear the invitation, "Tabitha, get up"? – *Sophia*
