To guide you into all the truth John 16:13

Sometimes we try to see the world using the wrong pair of glasses that distort rather than help us see clearly. We can even get so comfortable with these lenses that we simply refuse to change them. No wonder Jesus says: "I still have many things to say to you, but you cannot bear them now" (v12). But God bothers with us and delights in us (Psalm 8:4) and so Jesus has sent the Spirit of Truth to guide us in our journey into all the truth. Today ask the Spirit to lead you into a deeper understanding of what troubles you and the world, ask for where God is in all of it, and for the grace that you might respond in faith. Blessings! --**Sophia**

Two special celebrations last weekend

Last weekend at Kardinya Uniting Church there was a fun celebration of the 40 year declaration that the **Uniting Church is a Multicultural Church**. Great service, entertainment and FOOD. Not even including the many indigenous language congregations, there are over 30 other languages, other than English, spoken each Sunday in Uniting Churches across Australia.

Sad News: Derek Borger, the brother-in-law of Denise, died in his sleep unexpectedly on Wednesday night. You will remember Derek at KUC and Derek and Denise both worshipped with us during Covid. Our prayers are with Denise and her family.

The cold weather is upon us. Don't forget **Cosy Toes Socks for Uniting WA**. Thick white sports socks are the most preferred but all socks are very welcome. Bring them along next week. There is a box at the front of the church.

Containers for Change-This week we added \$68.20 to our total, now \$295.20 for Uniting WA. Just another 48

On Sunday **Rev Sophia led a combined Pentecost service at KUC.**

There was lots of participation from the members of the congregations and a celebration of the gift of the Spirit amongst his people. It was also 35yrs since KUC moved into the present building, which was celebrated with stories and photos. Lots more great photos of the service on Facebook

"It was a terrible cruise, rained the whole time. They did have a great buffet though, I had two of everything".
